Banknote Recycler

RBW-10

Compact and efficient banknote recycler for cashiers

Superior design and reliability in a small footprint

Key benefits of the RBW-10 include:

Banknote Recycler
RBW-10

Large capacity feeder – up to 30 notes at once

Accepts mixed denominations in a single transaction without the need to pre-sort. This allows for rapid top up at the start of business and significantly reduces customer waiting time, whilst allowing the cashier to focus on customer services.

Secure collection cassette holds and transports banknotes in a locked cassette

The RBW-10's collection cassette holds up to 450 banknotes. When required, the cassette can be accessed by authorised personnel for secure, user friendly handling with no exposure of the banknotes to public areas during the transfer process.
