Coin Recycler

RCW-8A

Compact and efficient coin recycler for cashiers

Superior design and reliability in a small footprint

Key benefits of the RCW-8A include:

Coin Recycler
RCW-8A

Up to 50 unsorted coins can be placed into the hopper

Accepts mixed denominations in a single operation without the need to pre-sort. This allows for rapid top up at the start of business and significantly reduces customer waiting time, whilst allowing the cashier to focus on customer services.

*Fully automated internal coin inventory management and MIS

Positive identification and rejection of suspect items

Removes suspect coins and foreign objects without stopping the recycler. Reduces discrepancies and losses typically associated with manual handling.

* There are limits for the size and shape of coins which can be removed.
